ACKNOWLEDGEMENT

I thank to all who in one way or another contributed in the completion of this thesis. First, I give thanks to Allah S.W.T. for protection and ability to do work. I am so deeply thankful to my thesis advisor, Rina Saraswati, M.Hum. who encouraged and directed me. Her challenges and thoughtful feedback brought this thesis towards a completion. To Faculty of Humanities Universitas Airlangga and all lecturers of English Department, I respectfully thank you for making it possible for me to study here. This thesis is heartily dedicated to my mom who supported and prayed for me throughout the time of my research. You and the family are the biggest motivation to finish this thesis as soon as possible.

I would like to thank Theresia C.R.P who as a good friend, was always willing to help and give her best suggestions and listens to my problems. To Nila W.D., Restya A.W., Inke Y.S., and Amillatulaila S., thank you for being best partners, it would have been a lonely class without them. My gratitude also belongs to the rest students in AJ Class of 2013 for being good classmates. My deepest gratitude goes to my dad and the most cheerful and kindhearted classmate, Mega F.R. They must be the awesome angel up there. I would also like to say thanks to high school and college friends whose names I cannot mention one by one. Thank you for the supports and love.
