Thank you for the time, effort, attention, and patience you gave during the whole process since the first time until it is done. Furthermore, I also thank you for your earlier help in the last semester when I was still confused to decide the topic or title what i have to write for my Thesis Writing Design (TWD). May God always protect and bless your life and family.

I would like to deliver my deepest thankfulness to my beloved parents: Patricius Elfran Agung Sudrajat, S.H., M.BA and Lucia Hetty Mardiyaningsih, for all of their sacrifice, care, and struggle in raising me. Without you, I could not be like now and do anything. Thank you mama and papa. I LOVE YOU.

To my dear boyfriend, and also my future husband, Viktorinus Hendranto, S.E., I want to say thank you for all of your attention, time, energy, and love that you give to me. We have been through a lot of enjoyable dancing experiences which can not be easily forgotten, especially when we performed for ex-sixth vice President, Mr. Boediono, thirty governors from thirty provinces in Indonesia, and several Ministries. Thank you for sharing your knowledge about Balinese traditional dance.
