ACKNOWLEDGEMENTS

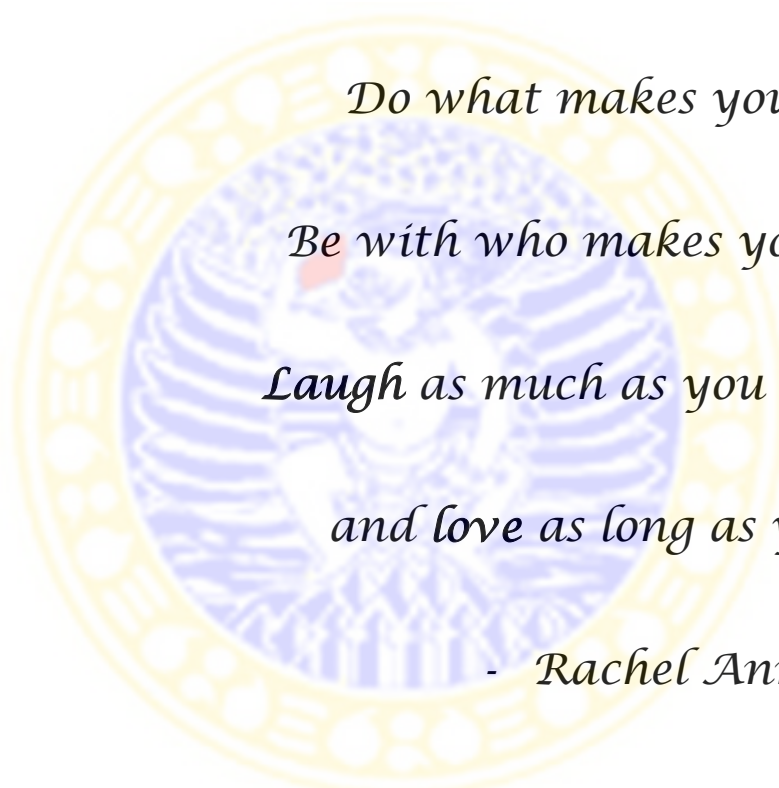

I would like to say thank you to Allah SWT who always give his blessing, strength, and health which can lead me to finish this thesis. And for my beloved parents who always give their best to their children and support me all this time, also for my brothers who never stop motivating me, I cannot thankful enough.

I would also like to give my appreciation to my thesis advisor, Deny Arnos Kwary, Ph. D., thank you for all the suggestions and guidance, helping me with generous support in order to complete this thesis. Not forget to mentioned, I also want to thank to all lecturers of Universitas Airlangga for the priceless knowledge they have given to me.

I must thank particularly to Anggit Rendragraha, my loyal partner in everything, who has always been there in my good and bad times. Thank you for your great support, patience, and love. My gratitude also goes to MaMa team: Fadhila Nur Kartika, my best partner in any academic occasion; Fita, Cece Tyas, Valdi, Deri, Dina, Jupek, Rani, Jemik, Mikha, Devany and not forget to mentioned: Qurrota, Lullie, Brian, Oncom who have given me such a huge experience. Without you all, I would never be who I am today.
