HALAMAN PERNYATAAN ORISINALITAS TESIS ........................................................ ii
DECLARATION ............................................................................................................... iii
KATA PENGANTAR ........................................................................................................ iv
ABSTRAK ....................................................................................................................... vi
ABSTRACT ...................................................................................................................... vii
DAFTAR ISI ..................................................................................................................... viii
DAFTAR TABEL ............................................................................................................. xi
DAFTAR GAMBAR ......................................................................................................... xii

BAB I PENDAHULUAN ................................................................................................. 1
  1.1 Latar Belakang Masalah ....................................................................................... 1
  1.2 Rumusan Masalah ............................................................................................... 6
  1.3 Tujuan Penelitian ............................................................................................... 7
  1.4 Manfaat Penelitian ............................................................................................ 7
  1.5 Sistematika Penulisan ......................................................................................... 7

BAB II TINJAUAN PUSTAKA ......................................................................................... 9
  2.1 Landasan Teori ................................................................................................... 9
   2.1.1 Perilaku Konsumen ...................................................................................... 9
      2.1.1.1 Definisi Perilaku Konsumen .................................................................. 9
      2.1.1.2 Faktor-faktor yang Mempengaruhi Perilaku Konsumen ................. 10
   2.1.2 Self-image Congruence .............................................................................. 14
   2.1.3 Perceived Quality ......................................................................................... 17
   2.1.4 Brand ............................................................................................................ 18
   2.1.6 Brand Loyalty ............................................................................................... 20
  2.2 Penelitian Terdahulu ............................................................................................ 23
  2.3 Kerangka Konseptual Penelitian ....................................................................... 26
  2.4 Hubungan Antar Variabel dan Hipotesis ............................................................. 27
2.4.1 Pengaruh Self-image Congruence Terhadap Perceived Quality ................................................................. 27
2.4.2 Pengaruh Self-image Congruence Terhadap Brand Trust ........................................................................ 29
2.4.3 Pengaruh Self-image Congruence Terhadap Brand Loyalty ...................................................................... 30
2.4.4 Pengaruh Perceived Quality Terhadap Brand Loyalty. ............................................................................. 30
2.4.5 Pengaruh Brand Trust Terhadap Brand Loyalty................. 31

BAB III METODE PENELITIAN ................................................................ 33
3.1 Pendekatan Penelitian..................................................................................................................... 33
3.2 Definisi Operasional dan Pengukuran Variabel .................................................................................. 33
3.3 Jenis dan Sumber Data ..................................................................................................................... 36
3.4 Populasi dan Sampel Penelitian........................................................................................................ 37
  3.4.1 Populasi ............................................................................................................................................. 37
  3.4.2 Sampel ............................................................................................................................................. 37
3.5 Metode Pengumpulan Data ................................................................................................................ 39
3.6 Teknik Analisis Data .......................................................................................................................... 40

BAB IV HASIL PENELITIAN DAN PEMBAHASAN......................... 45
4.1 Gambaran Umum Obyek dan Subyek Penelitian .......................................................... 45
4.2 Deskripsi Hasil Penelitian .............................................................................................................. 49
  4.2.1 Gambaran Karakteristik Responden .............................................................................................. 49
  4.2.2 Analisis Deskripsi Jawaban Responden .................................................................................... 54
4.3 Pengujian Hipotesis ......................................................................................................................... 59
  4.3.1 Evaluasi Outer Model.................................................................................................................... 59
    4.3.1.1 Pengujian Validitas dan Reliabilitas ....................................................................................... 59
  4.3.2 Evaluasi Model Struktural atau Inner Model .............................................................................. 62
    4.3.2.1 Evaluasi Path Coefficient .................................................................................................. 62
    4.3.2.2 Uji Goodness-of-fit ............................................................................................................ 63
    4.3.2.3 Uji Hipotesis ...................................................................................................................... 64
4.4 Hasil dan Pembahasan .................................................................................................................... 66
4.4.1 Pengaruh Self-image Congruence Terhadap Perceived Quality .............................................. 66
4.4.2 Pengaruh Self-image Congruence Terhadap Brand Trust ..................................................... 67
4.4.3 Pengaruh Self-image Congruence Terhadap Brand Loyalty .................................................... 68
4.4.4 Pengaruh Perceived Quality Terhadap Brand Loyalty .............................................................. 68
4.4.5 Pengaruh Brand Trust Terhadap Brand Loyalty ................................................................. 69

BAB V PENUTUP .................................................................................................................. 70
5.1 Simpulan ............................................................................................................................ 70
5.2 Implikasi Penelitian .......................................................................................................... 70
  5.2.1 Implikasi Manajerial ...................................................................................................... 70
  5.2.2 Implikasi Akademis ...................................................................................................... 73
