ACKNOWLEDGEMENTS

Praise for Almighty God, Allah SWT, who has given me the blessing so that I can complete this Thesis with the title: Women Linguistic Features on DeGeneres' Performance on *The Ellen DeGeneres Show*. The road leading to this Thesis was all but easy. There were struggles and lack of confidence, and then I believed there was still a long journey waiting for me. All the effort that I put into this Thesis would not be enough if I did not have the support from all of the people around me. In this chance, I would like to thank all-important supporters who helped me during this time:

1. My parent, Norkhalis and Siti Kencana, and my sisters Ica and Ika, who always give me unlimited support physically and morally.

3. Mrs Rina Saraswati as the writer's academic advisor. Thank you for your companion and advice since my freshman year.
