ACKNOWLEDGEMENT

First and foremost, praises and thanks to the Lord, Our Father, Our Saviour, the One who loves me to the core. Only by His grace, I am able to finish what I have started four years ago. For several times I fell down, He never forgets to lift me up. Without His abundant blessings, this would not have been possible.

To my dearest family, I Putu Suastama, Ni Ketut Puji Astuti, and Ni Putu Andree Widiastuti. Thank you very much for showering me with love and endless supports. Thank you for always encouraging me, convincing me that I can finish my study on time. And especially to Mama, thank you for always mentioning my name in your midnight prayer. You always have an extraordinary way to express your love and support to me and for that, I believe that I am one of the luckiest people in this world.

I would also like to drop my deepest gratitude to my thesis advisor, Mas Wahyu Wicaksana, who has given me generous support, advises, suggestion, and guidance during my thesis work. My immeasurable appreciation also goes to all of the lecturers in the Department of International Relations Universitas Airlangga who have successfully generated numerous global strategists. To my favorite senior, Mas Agas and Ko Yoko, I would like to express my special thanks to both of you. Thank you for being such a great discussion partner. Besides from the lecturer, I admit that I got plentiful insights about world politics from our discussion.

Last but not least, my sincere thanks also goes to my precious friends. To Tita Warda and Andika Putra, thank you for sticking up with me in every season of my life. To my *bebek*, Dedev Adventia, Naomi Devi, Anastasia Devina, and Dian Damayanti, I am beyond grateful for our beautiful sisterhood which helps me to “grow” to be a better version of myself. And to all of my fellow Hlers from every batch, thank you for being another “home”. I learn a lot of things from this positive surrounding and I will absolutely cherish every memory I have with all of you.
