ACKNOWLEDGEMENTS

First of all, I would like to express my gratitude towards Allah SWT for everything that He has given to me from the day I was born up to this day. Because of His blessing, I am able to write and complete my thesis.

First off, I am grateful for my thesis advisor, Mrs. Masitha Achmad Syukri, M. Hum. who had helped, guided, advised, and supported me throughout the making of this thesis. Without her time, dedication, kindness, patience, and guidance, this thesis would not have been completed.

I also would like to thank my academic advisor, Mrs. Erlita Rusnaningtias, M. A., who had helped me plan my study in university from the very first year up to my last year. Thank you for also constantly giving me support and advice for my study. I am also forever indebted to all of the lecturers who had taught me during my study in university, as well as English Department faculty members who had helped and guided me in my time being a student here.

Next off, my gratitude goes to my family; my mother, my late father, my brother, my sister, my grandmother, my aunts, my uncles, and my cousins who helped me mentally so I can finish my thesis. Thank you for the endless support and understanding of my unstable mood almost all the time. Especially to my late father, thank you from the bottom of my heart for everything that you had given me. I hope I can make you proud by finishing my study and thesis with everything that you gave, taught, and provided for me.

My next gratitude is addressed to all of my friends in English Department. First, my clique; Syifaa, Regita, Nadira, Merry, and Firda, thank you so much for your guys' continuous support in every aspect, I really appreciate it. Thank you so much for always helping me with this thesis whenever I needed it, you guys are truly my savior. To my BPH EDSA 2018-2019 friends, inti-kadiv, and minbak, thank you for your understanding and encouragement. To my friends who accompanied me writing this thesis, answered every video calls when I was stressed, and cheered me up; Ezra, Zenida, Alma, and others, thank you, pals.

Finally, my last gratitude is dedicated to GOT7, a group that helped cheer me up whenever I am down, made contents that entertain me, created amazing

music to inspire me, and went on together as 7. You guys might not know it, but your music, your presence, and your existence really helped me cope with everything, sincerely thank you.
