ACKNOWLEDGEMENTS

First and foremost, I would like to express the gratitude and all praises to Allah SWT and to the prophet Rasulullah Muhammad SAW for giving me protection, health, and strength. With Him and His blessings, I could finally finish this undergraduate thesis. The second gratitude goes to my parents who always support and remind me to finish my study. To my sister, mbak Ika, thank you for being a helpful sister.

This undergraduate thesis would not be done without the help of many people. Thus I would like to express my biggest gratitude to my thesis advisor, Dr. Lilla Musyahda, Dra., M. Pd for the kindness and patience in giving advice and helping me to finish this undergraduate thesis. Besides that, I would also like to thank Mas Ferry for being helpful and all the lecturers in English Department for the knowledge given during my study in Universitas Airlangga.

Another gratitude also goes to my beloved partner, Mas Adit. Thank you for always being there during the hard times. Your support means a lot to cheer me up. Next, I would like to say thank you to all my good friends for all the good times we spent together.

To Laras, thank you for being a supportive friend and a good listener whenever I have a problem. Thank you for saving me from that “freak person” few years ago. To my SOSIALITA gang, thank you for the laughter and all those ‘*bahan ghibahan’* and *‘spill the tea’* session that really made my day.

The last but not least, I would also like to thank all my Alih Jenis (AJ) friends, especially in linguistic major. To Hetris, thank you for being a good friend since the first day in Alih Jenis. To my *njajan* partners in Kantin Psikologi; Dessy, Anggi, Riris, Vergy, Sinta, and Farah, thank you for all the good times and memories during these past two years in Alih Jenis. I will never forget all the epic and crazy memories we spent together. I hope we could always keep in touch after we graduate.
