## ACKNOWLEDGEMENTS

The first and most important gratitude I would like to express is to God the Almighty for all His blessing to give life, strength and will to finish this thesis. Without his blessing, I absolutely would not be able to achieve anything in life. Also, I would like to say my sincere gratitude to all of the people that help and support me until today onwards.

I would like to give my sincere appreciation to my thesis advisor, Mr. Lastiko Endi Rahmanty, S.S., M.Hum, whose advice and guidance have been helping me for the last six months. Without his guidance, I would not be able to reach this far. I would also thank my academic advisor, Mr. Pujo Sakti Nur Cahyo, S.S., M.Hum, for assisting me through my academic for four whole years. Thank you for the advice and help me plan my study. I am also grateful to the lecturers and the staff members of the English Department whose lessons, advice and assistance are invaluable.

To *mbak* Zifa, for her help and lesson all this time and always, I owe her a lot. To Neysa Eveline, my walking diary, my best friend, and my partner in crime, I am so thankful for the past four years, without her by my side, my college life would not be this wonderful, words cannot even express how much she means to me. To my sister and other families TUNEW and MH, for all the gossip, support, motivation. To my friends in *Three Musketeter*, *LAQNAD*, *Keluarga Cemo'oh*, three little pigs, and impulsive Lil' devils for all the bittersweet stories and experiences during my study in Surabaya, thank you to them for being my support system. To my seniors, friends, and juniors in *BPH EDSA* and *EDSAMAN* for three-year experience in the organization. For *BSO Musik*, the sole shelter for my friends and me. Last, to my friends from SASING '16 AU, thank you all I know that there are various kind of people in this world.

Last but not least, I want to express my endless gratitude for the most important people in my life. *Uti*, for her continuous love and attention, regardless how naughty I have always been. *Ayah*, for all the food, laughter, and the indefinite love he always shares with me. *Ibu*, despite she is miles away, I know how much she cares about me, and I love her so much. *Papa*, for his support and everything. Also for my brothers, Adrian and Reza, I hope we share many more laugh and stories for the following years.
