## ACKNOWLEDGEMENT

*Alhamdulillahirabbil `alamin.* Praise God for giving me enlightenment while working on this thesis and I give special thanks to *Allah Subhanahu wa Ta'ala* for giving me the ability to complete this thesis.

I would like to express my special thanks of gratitude to my thesis advisor Dr. Moses Glorino R. P., M. Si., M. Phil. who gave me a guidance to finish my thesis, which also helped me in providing information and necessary data regarding this thesis. Thank you for your time for guiding me doing this thesis, it was an honor to work and study under your guidance. I also would like to thank my academic advisor Mrs. Yuni Sari Amalia S.S., M.A., Ph.D. for nurturing me while I was studying in the English Department of Airlangga University Surabaya.

I am extremely grateful to my parents for their love and prayers and for their hardwork for preparing me for my future. Especially to my father who has worked so hard to support us as a family and also to get me to college. Thank you for everything you have done to me and to our family. Also I express my thanks to both of my brothers for their support and always cheering me up whenever I feel down. I would also like to thank my close friends Jemmi Lasapu and Bagas Prabowo, who have been great comrades in my campus years. Thank you for all the great time and conversation we had in my house terrace. Lastly, my special gratitude and a big thank to Neysa Eveline who has helped me through my hard days. You are the one who always gives me attention and happiness. Thank you for accompanying me and spending your time with me. Thank you for all the help you always given to me.

Be who you are and say what you feel,  
because those who mind don't matter, and  
those who matter don't mind
