## ACKNOWLEDGEMENT

First and foremost, I would like to express my deepest gratitude to The Almighty Allah S.W.T, for without His infinite showers of blessing and guidance I would not be able to successfully compile this thesis. Praises be to Him The Lord of All Worlds.

I would also like to extend my most sincere gratitude to my parents for their unconditional trust, timely encouragement, and endless patience. I am very much thankful to both of you for giving me opportunities to further pursue my education. Their love and support are what keep me motivated to finish this thesis. I love you beyond words.

I also wish to sincerely thank my thesis advisor Dra. Nur Wulan, M.A., Ph.D., whose expertise, knowledge, and advice have been a huge help during the writing process of this thesis. Without her help, this thesis would not have been possible. I would also like to thank my academic advisor Mr. Sumitro for his helpful advice so that I can finish my study in a timely manner. Also thanks to the English Department board of lecturers for the invaluable knowledge they have imparted to me during the years I spent in this university.

Also to my dearest best friend of more than a decade, Nita, who has been there since the beginning. Thank you for always listening to my endless whine about anything and everything, for the countless sudden unplanned trips you always know I needed when things got stressful. May our friendship last until the day our hair turns grey.

Last but not least, I would also like to give a special call-out to my fellow friends in English Department, Afriya, Nanda, Aisyah, Mutiara, Amirah, Retha, and other names who I cannot mention one by one lest the list will go on forever. Thank you for sticking with me through the thick and thin of our time in Universitas Airlangga. The last four years would be rather bleak without all the pleasant memories we share together. I sincerely hope that wherever you go after completing your study, happiness and success will always follow you.

Surabaya,

Cindy Aurilia
