### DECLARATION

I declare that this undergraduate thesis submitted in partial fulfillment of the degree of *Sarjana Humaniora* (S.Hum) of the English Department Faculty of Humanities Universitas Airlangga is entirely my own work and has been solely the result of my own original research. Hereby, I confirm that:

1. This thesis is not copied from any other person's work (published or unpublished);
2. I do not use the services of any professional agencies to produce this thesis;
3. This work has not previously been submitted in whole or part of a degree or any other qualification either at Universitas Airlangga or elsewhere;
4. Any texts, tables, figures, data or other materials copied from other sources (including, but not limited, to books, papers, and the internet) have been clearly acknowledged and referenced in the text. These details are also confirmed by a fuller reference at the end of the work.

I am fully aware that breaching any or all of the above points will result in the withdrawal of the awarded degree and disciplinary action in accordance with the regulation at Universitas Airlangga.

## ACKNOWLEDGEMENTS

First and foremost, my deepest gratitude to *Allah*, for the countless blessings and strengths that were given to me, also for Allah's grace to me that I can finish this thesis through ease and difficulty.

I am particularly grateful for the assistance from my thesis advisor, Dra. Christinawati, M.Si. for her patience and perseverance in guiding my thesis progress. I would like to thank you for the time and energy she has lavished for me. It was always a great privilege to gain so much insightful knowledge under her guidance.

I am also grateful for the assistance from my academic advisor, Mrs. Yulia Indarti, S.S., M.A. Without her guidance and encouragement, my academic activities and this thesis would not have been possible. Her openness and sincerity have deeply inspired me.

I am extending my thankful to the three greatest persons in my life, *Bapak, Ibu* and *Mbak* Dhanis for their love, support, prayers and endless affection to me. They are the motivation behind my thesis and college. Their timeless encouragement will lead me to be a better person. I promise to fulfill their life with plenty of joy and happiness until the last day of my life.

I also extremely grateful for the arrival of my daughter in this world, Alice Adriana Ramadhani, also my husband, Ashabul Kahfi, for the emotional support to finish my thesis. They are my motivation to prove that I am a hardworking mother and wife. To them I promise a little family that will be showered by joy and laughter.

Lastly but not least, I would like to thank to my beloved college mates, Nadit, Roro, Chaca, Fanye, and Hasian, for their friendship affection and humor. Their good sense of humor had decreased my depression toward college life. My days would be blue without their presence during college time.

I would also thank to my senior high school mates, IPAES, which members are Meme, Lanny, Elok, Jeje, Adel, Tamara, and Eno who are always virtually supported me through chat. Their prayers for me also precious. They always make me laugh even in a bad day. How grateful I am to be blessed by long lasting friendship.

“Always believe in yourself. Do this and no matter  
where you are, you will have nothing to fear”

- *Hayao Miyazaki*
