ACKNOWLEDGMENTS

Firstly and Foremost, I would like to express my deepest gratitude to Allah SWT for His love and blessings, I could survive life and finish my study in English Department of Airlangga University.

Secondly, I am thankful for every guidance and support provided by my thesis advisor, Erlita Rusnaningtias S.S., M.A., so that I could finish my study. I am grateful that she could spare her time to read my crap in this mean time of mine. I am also thankful for her patience since I am an awkward student who cannot write well and I am also very bad at grammar. I sincerely appreciate all she has given to me.

Furthermore, I am eternally grateful for my academic adviser, Drs. Amir Fatah, M.Hum for his guidance since my first semester in English Department of Airlangga University. I am also thankful since he allowed me to take and retake every class I want. I will miss his talk about his brother who went to a decent college in Bandung or the way he call his students as 'mahasiswa air mancur' every time we make an unacceptable mistakes. I also appreciate the knowledge, giudance and inspirations I got from all lecturers in English Department of Airlangga University whose names I cannot mention one by one here.

Next, I will express gratitude to my parents for their presence and limitless supports, especially financial support so that I can grow to be a person I am today. Thank you for raising me since the first time I open my eyes and also for letting me study at my dream department. I am also thankful for my sisters, because of their presence, I know for sure what a competition really is so that I can survive life.

Last but not least, I will send my gratitude for my support systems who have helped me survive college. Thank you for Dewi, Dian, Fafa and Dinar who always being there for me through thick and thin. I am so glad that I can call you all as my friend since day one of my college life. I am also thankful for my

linguistics buddy, Ega, Iwed and Zulian for answering my dumb questions and most importantly, for sharing hot tea and memes. I am very glad I retook SLA class with you guys. The last gratitude goes to my linguistic and Disney buddy, Rizka. Thank you for giving me support and countless information about something I like and need.
