DECLARATION

I declare that this undergraduate thesis submitted in partial fulfillment of the degree of Sarjana Humaniora (S.Hum) of the English Department Faculty of Humanities Universitas Airlangga is entirely my own work and has been solely the result of my own original research. Hereby, I confirm that:

1. This thesis is not copied from any other person's work (published or unpublished);
2. I do not use the services of any professional agencies to produce this thesis;
3. This work has not previously been submitted in whole or in part for a degree or any other qualification either at Universitas Airlangga or elsewhere;
4. Any texts, tables, figures, data or other materials copied from other sources (including, but not limited to, books, papers, and the internet) have been clearly acknowledged and referenced in the text. These details are also confirmed by a fuller reference at the end of the work.

I am fully aware that breaching any or all of the above points will result in the withdrawal of the awarded degree and disciplinary action in accordance with the regulation at Universitas Airlangga.

ACKNOWLEDGEMENTS

As a matter of first importance, all praises and thanks are due to Allah SWT, the best of all, for giving the writer determination, strength, consistency and wellbeing terms of the completion of this thesis. Without his limitless blessings and favors, this thesis could not have been possible.

This thesis could be accomplished because of sincere guidance and support from people who have been involved throughout the writer's journey of the making of the thesis. The writer would like to acknowledge with deep gratitude and appreciation to Mrs. Yuni Sari Amalia, Ph.D., as the lecturer of English Department at Universitas Airlangga as well as the writer's thesis advisor. Thank you for the encouragement, meaningful feedback, and valuable time throughout the making of the thesis.

The writer would like to express gratitude to Mrs. Layli Hamida, S.S., M.Hum., as the Head of the English Department for the support, motivation, positive encouragement, and meaningful guidance in terms of academic matters both generally as well as personally.

I am especially grateful for Mr. Jurianto, Drs., M.Ed., as the writer's academic advisor for the advice, suggestion, meaningful advice, and constructive encouragement. The writer also would like to express deep thanks and gratitude to all of the writer's lecturers who have given the writer meaningful knowledge, advice and unforgettable life experiences during the writer's study.

This thesis could not have been possible without the opportunity given by EF Sidoarjo as the research subject took place. The writer would like to thank to Mr. Michael Thomas as the Director of Studies at EF Sidoarjo for the opportunity

and meaningful guidance; to Mr. Faruq Subroto, Mrs Ekasari Utami, and Mr. Arif for sharing various knowledge and experiences in terms of teaching as well as for the time to be observed.

The writer is forever grateful to her parents who have supported her along with their love, caring, and prayers. The writer would also like to express her gratitude towards all of friends who have supported through ups and downs during the making of this thesis.

The writer understood that this thesis still has many weaknesses considering the confinement as an individual. Along these lines, she invites any remarks, recommendations, and exhortation from the reader that will later improve the nature of this thesis. The author trusts that this thesis could be helpful for other people.
