DECLARATION

I declare that this undergraduate thesis submitted in partial fulfillment of the degree of Sarjana Humaniora (S.Hum) of the English Department Faculty of Humanities Universitas Airlangga is entirely my own work and has been solely the result of my own original research. Hereby, I confirm that:

1. This thesis is not copied from any other person's work (published or unpublished);
2. I do not use the services of any professional agencies to produce this thesis;
3. This work has not previously been submitted in whole or in part for a degree or any other qualification either at Universitas Airlangga or elsewhere;
4. Any texts, tables, figures, data or other materials copied from other sources (including, but not limited to, books, papers, and the internet) have been clearly acknowledged and referenced in the text. These details are also confirmed by a fuller reference at the end of the work.

I am fully aware that breaching any or all of the above points will result in the withdrawal of the awarded degree and disciplinary action in accordance with the regulations at Universitas Airlangga.

ACKNOWLEDGEMENTS

First and foremost, I praise to the Almighty God Allah SWT for His grace and blessing that were necessary to complete this undergraduate thesis and without Him I will not be able to get this done. I got countless support from many people and would like to express my sincerely profound gratitude in this acknowledgement.

To begin with, I would like to thank myself, to keep being tough and strong throughout this semester, to not give myself up facing ups and downs until this time, as self-gratitude is very essential.

I am also sincerely thankful to my thesis advisor Mrs. Masitha Ahmad Syukri, M.Hum for allowing me to be part of her research project and giving advices to help to make this thesis to be redoubtable and worthy. Her competence and dedication has inspired me, thus she deserves special recognition.

Immeasurable gratitude I would like to express are extended as well to my parents, Aba and Umi, my sisters and brothers, Mbak Meli and Mas Dhimaz for their endless materials and emotional supports to me in the completion of this undergraduate thesis.

Furthermore, I am thankful to have my supportive friends around; my 'komunitas syariah' and thesis buddies, Rida and Seila for sharing any thoughts and laughs; my university mates since day one, Aak, Adjie, and Faried for realizing the value of a friendship; my highschool 'vier' mates, Fausal, Lila, Lela, for the limitless support; my 'Impulsive Lil Devils' buddies, Nisrina and Ezra, for the sharing and other stuffs; and Mbak Ajeng who is always there whenever I need her assistance in any ways. The gratitude also goes to my other friends who are not mentioned previously who directly or indirectly support and assist me.

Lastly, I also owe a great debt of gratitude to all participants who were willing to be my subjects of research to get the data for my thesis.

Without them, I would not be able to complete my study. I sincerely hope that this thesis could be beneficial and insightful for those who need this knowledge of this particular area of study.
