DECLARATION

I declare that this undergraduate thesis submitted in partial fulfillment of the degree of Sarjana Humaniora (S.Hum) of the English Department Faculty of Humanities Universitas Airlangga is entirely my own work and has been solely the result of my own original research. Hereby, I confirm that:

This thesis is not copied from any other person's work (published and unpublished)

1. I do not use the services of any professional agencies to produce this thesis;
2. This work has not previously been submitted in whole or in part for a degree or any other qualification either at Universitas Airlangga or elsewhere;
3. Any texts, tables, figures, data or other materials copied from other sources (including, but not limited to, books, papers and the internet) have been clearly acknowledged and referenced in the text. These details are also confirmed by a fuller reference at the end of the work.

I am fully aware that breaching any or all of the above points will result in withdrawal of the awarded degree and disciplinary action in accordance with the regulations at Universitas Airlangga.

ACKNOWLEDGEMENTS

First things first, I would like to express all of my gratitude to Allah SWT, for the blessing, kindness, and guidance in finishing this thesis entitled: Women's Linguistic Features and Gender Roles Represented by the Main Female Characters in Frozen II (2019).

First, I am deeply thankful to my thesis advisor, Ema Faiza, S., M. Hum., for always giving me guidance and consultation over a semester with all of the motivation that has made me able to finish this undergraduate thesis. I thank her for her precious time in giving comments, critiques, and advice to my work. I would like to extend my gratitude to my academic advisor, Erlita Rusnaningtias, M. A., who has given me guidance and support to plan my study. I am also indebted to all of my English Department lecturers who have taught me precious and invaluable knowledge, especially for my Thesis Writing Design advisor, Drs. Jurianto, M. Ed., who has given me so many suggestions since my Thesis Writing Design class.

I realize that I cannot complete this paper without the support from other people. I would like to show my greatest gratitude for my beloved family. For my mother and my father, I would like to say thank you for all your uncountable prayers, patience, attention, and support. I thank my family for always convince me that I can pass all of the ups and downs in the process of making this undergraduate thesis. To my best friends in college, Devi, Tryastika, Winda, Nabilah, Fifi, and Cece, thank you for the support and sweet moments.

I want to say thank you for my beloved twin, Winda, for always supporting me and always being there for me. Thank you for always accompanying me in vcs and always made my days with all of the inside jokes and sweet moments. I would like to say thank you for my beloved innocent friend Fifi, who always also being there for me and always ready to give me supports. Thank you for my fellow women's linguistic features friend, Tryastika, who always willing to listen to my venting and always support each other.

I would like to say thank you for my dearest friend, Theo, for always supporting me and always being there for me. I also want to say thank you to my dearest friend, Alex, for always willing to listen to my vents and always support me to keep going. Thank you to those people who have helped me during my undergraduate thesis writing process, and to those who always support me that I cannot mention one by one.
