## ACKNOWLEDGEMENTS

First, I would like to thank Allah SWT for his mercy and graceful. Without the blessing and guidance of Him, I would not be able to finish this thesis. Secondly, I would like to give my gratitude to my thesis advisor, Usma Nur Dian Rosyidah, M.A. for helping me and guiding me to write my thesis. Surely, I am unable to finish this thesis without her help in the middle of a pandemic. Third, I would like to thank my parents, for their love and care towards me that I could not pay in return for their patience in raising me and funding my tuition. Finally, I am forever grateful for my siblings; Janis Aulia, and her husband Fafan also Ijul, and his wife Yulitha, for giving me some encouragement through my brainstorming process.

I would also like to thank Titien Diah Soelistyarini, M.Si., for giving me some advices for my article that I am able to add it into my thesis as well. Additionally, to Christinawati, Dra., M.Si. for correcting and giving me some insights in Thesis Writing Design. Lastly, I would also like to thank Rina Saraswati, M. Hum. for enlighten me through the process of my Thesis Writing Design as well. Last but not least, I would also like to thank my academic advisor Dra. Anna Dewanti, Dip. TESL., M. Pd. for guiding me and supporting me since my first day of my academic years. Surely, I would not be able to undergo a proper academic without your advice.

Like what I have mentioned before, I am forever grateful to be a part of Faculty of Humanities, for giving me so many genuine people in it. PAKARSAJEN, was my first ‘family’ when I entered this faculty, and they have helped me to endure some bad days of my life, as well tasting the sweet and bitter days of committees. Especially to my batch 16’ PAKARSAJEN; Jemmima, Alip, Kakek, Galih, Ilham, Angga, Bella, Wanda, and Yuliyeah, they never fail to engrave a smile on my face. I would also like to tell a gratitude to my friends since second semester, *4 Dara Muda*; Dyan, Farida, and Tsara. I still remember the day when we chill at my house that is only a step away from campus to wait for our analytical listening class. Thank you for your presence, your sincerity, kindness, and support throughout these wonderful college years. Once again, thank you for being there for me when I needed you girls the most. Honorable mention to Neysa Eveline, for being there whenever I am confused with the format of my thesis, and to Nisrina Nabila who have supported my arts and craft. Not to mention SASING AU 16’ for being such a wonderful people.

Additionally, to my significant other, Bima Atmana who has helped me through my sad days, thank you for being there for me. The last four semesters was

surely tough for me, but you have given me some support throughout it. Thank you for your help, support, and other things that I could not mention for your kindness.

It is not a thesis progression if you have not cried in a stressful state; I also endured some depressing moment where I feel like I could not finish this study, so I would like to thank Sucia Nur Cholida for giving me a whole loads of strength. We have been a partner of supporting each other through our thesis and independent studies as well. It is such a shame that we are unable to finish our last semester offline due to the corona virus. I miss those morning after-class when we have fried rice for our breakfast. Nonetheless, I pray for her success, and life full of wonder and joy will pick her up soon.

I would also like to thank my seniors since high-school who have inspired me throughout my life since I met them; Cindy Belinda Ramadhanty S.Hum., M. Hum. and of course Noandha Dhegaska S.Hum. They have given me a lot of help whenever I feel I could not finish this thesis. Especially Cindy, who is willing to give her best whenever she helped me with my writings, and Noa's insight who have helped me and cheered me with the JoJo memes that she sent.

Lastly, I would also like to thank many people who have commission their loved one to be painted by me. Additionally, I would like to thank people who have bought my merch and dorayaki, because without them, I would not be able to purchase some college (and skincare) needs. Thank you for always trusting me to do your loved ones painting. I really appreciate it. Maybe if someone manages to read this acknowledgements, you know who to type on Instagram for a portrait commission.
