First and foremost, I would like to express my gratitude to Allah SWT who has always been with me giving me the chance, strength, and wellbeing to complete this undergraduate thesis successfully. This thesis has benefited greatly from the support of the people that I would sincerely like to acknowledge here.

To begin with, I am deeply grateful for my thesis advisor Mrs. Nurul Fitri Hapsari, S.S., M.A, for the patient, kindness, and dedication in guiding me to finish this thesis; she deserves special recognition for her highly competent remarks and suggestions.

I would like to thank Mrs. Erlita Rusnaningtyas S.S., M.A., as my academic advisor during my four years of study that has helped me provide advice and encouragement to plan my study as well so that I can finish my study on time. I am also forever indebted to all of the English Department faculty members who have kindly shared their expertise and valuable guidance throughout my study.

I would also like to thank my best friend since high school, thank you for believing in me and for supporting me throughout the process of writing this thesis; I would be very lost without you. To my amazing friends that I have known since the first days of university, Rahma Kirana, Regita Rahmanissa, Merry Agustina, Nadira Sekar, and Firda Ayu Adilah, thank you for always accepting, encouraging me to be myself and for all the support you have brought to me.

Finally, to my parents, I would like to thank you for the endless love and prayers. Without your prayers, I would not be able to stand where I am right now.

I am forever grateful for all the financial support that you have given me and for always believing in me.
