ACKNOWLEDGEMENTS

First and foremost, I would like to express my sincerest gratitude to God the Almighty ALLAH S.W.T for the good health and wellbeing that were necessary to complete this undergraduate thesis. This thesis has also benefited greatly from the support of many people, some of whom I would sincerely like to acknowledge here.

To begin with, I am deeply grateful to Bapak Jurianto as my thesis advisor who has patiently guided me to do this thesis until it becomes a perfectly imperfect thesis of mine. Without his time and dedication, I'm not sure I can pass this phase. As the advisor for all my thesis work throughout this semester, he deserves special recognition for his always highly competent remarks and suggestions, as well as particular praise for his openness and friendly manner.

I would like to express my gratitude also to Bapak Hariawan Adji for being my academic advisor in the last four years of my study. Not only was he able to provide useful hints and advice, but he also helped me to plan my study well so that I can finish it on the perfect timing. I am also forever indebted to all of the English Department faculty members who have kindly shared their expertise, knowledge and valuable guidance, as well as encouragement throughout my study.

I would also like to thank my dearest parents, who always support me with anything they have. Really, all of your dream, hope and hard work finally get paid after this. Thank you for everything you two have sacrificed for me. A love I couldn't ask for more. Thank you my sister Anneesha Sasqia Bella for being annoying yet loveable sister. I love you.

I also express my gratitude to my special partner, Firmananda Rahmandika Lazuardi. Thank you for the entire daydream. You really make this ship go into an amazing adventure in which I couldn't ask for more. Thank you for always being

there when I have nothing but hope in life. Thank you for loving me with all of your heart.

I also thank my sister from different mother, Feni Namora Nasution. I am grateful to have an amazing soul mate like you. Every sadness and happiness we have gone through is such an amazing adventures, and I hope we will and always share those things together. I thank my everlasting friend, Mike Nur Wijayanti, for all of those life-experiences you have given to me. But still, you are the best woman yet so strong that I have ever met until now.

I would like to express my gratitude to my team at project SIBRE for being supportive teammates. Thank you for helping me copes with some stressful moments. My special gratitude goes to Mbak Early (best leader and mommy ever), Mbak Tari (second lead and strong woman who taught us to be brave), Sinta (room neighbor and teammate as well), Arum (our little member who is naughty but yet so lovely), Divia (beautiful and awesome friend), Yasinda (quiet girl that I do not mind to spend my time with), and Mbak Fani (generous and excellent cook). Thank you for being my second family in this big city.

Last but not least, I thank everyone who comes and goes in my life that has made me who I am now. Let all the good and the bad be the history of my journey's book.
