ACKNOWLEDGEMENTS

First and foremost, I would like to express my biggest and sincerest gratitude to the Almighty God, Allah S.W.T. for giving me strength and patience during the long journey to finish this undergraduate thesis. I am also deeply grateful to both of my parents for being supportive toward all of my dreams, for being amazing people who uplift and comfort me whenever life gets tough and bringing me up to be a better individual. I have let so many years pass without thanking you both, but you have not let a single second pass without loving me unconditionally. I am much blessed to have you both as my parents.

Then, I would like to express my gratitude to my thesis advisor, Mrs. Rina Saraswati, M. Hum., for the incredible knowledge, advice and guidance in helping me finish this undergraduate thesis. I would not have made it this far without all the patience and kindness you have given to me throughout this whole semester. I also would like to sincerely thank all of the lecturers in Faculty of Humanities for all of their dedication and knowledges for these past four years.

I also would like to deliver my sincerest gratitude to the seven most incredible people, Kim Namjoon, Kim Seokjin, Min Yoongi, Jung Hoseok, Park Jimin, Kim Taehyung, and Jeon Jungkook, for being the brightest light in the darkest moments of my life. Thank you for giving me endless laugh and joy, for sending me beautiful messages through your music, for teaching me to love myself, to be proud of the person I have become, and to always be good no matter how

badly life treated me. You guys really mean the absolute world to me. Let's continue to walk on this flowery path together.

Last but not least, I would like to thank these amazing people who stood by me through thick and thin: Afriya, Aisyah, Ananda, Cindy, and Retha, the best friends I have ever met who always lend their shoulders and ears to help ease my burden whether it is about college or life. Thank you for always sticking by me, for dealing with my immaturities, for always comforting me and being my biggest support systems. You guys are truly one of a kind and words are not enough to describe how grateful I am to have all of you in my life. Fany and Ocha, whom I have known since middle school, thank you for putting up with a grumpy, annoying, and ungrateful person like me, for laughing at my terrible jokes, for the endless supports and prayers, and for the friendship we have shared. It has been privilege to have you both as best friends.
