ACKNOWLEDGEMENTS

To begin with, I would like to thank my thesis advisor Mrs. Usma Nur Dian Rosyidah, M. A. who has helped me through my thesis writing process. My biggest gratitude goes to my academic advisor Mr. Pujo Sakti Nur Cahyo for the thoughtful guidance in my college years.

I would like to express my gratitude to my mother who has helped me ever since day 1 of thesis writing. Thank you for all of the hardships that you have been going through in raising me. For all of my friends who accompanied me in my half-crying half-laughing times, I know you will never read this but I hope I can pay back all of the wonderful times you guys have spared for me.

Wholeheartedly,

Sucia
