ACKNOWLEDGEMENT

Alhamdulillahirabbil `alamin. Praise God for giving me enlightenment while working on this thesis and I give special thanks to Allah Subhanahu wa Ta'ala for giving me the ability to complete this thesis.

I would like to express my special thanks of gratitude to my thesis advisor Dra. Sudar Itafarida, M.Hum. who gave me a guidance to finish my thesis, which also helped me in providing information and necessary data regarding this thesis. Thank you for your time for guiding me doing this thesis, it was an honor to work and study under your guidance. I also would like to thank my academic advisor Drs. Sumitro, M.M.. for nurturing me while I was studying in the English department of Airlangga University Surabaya.

I am extremely grateful to my parents for their love and prayers and for their hard work for preparing me for my future. Especially to my mother who have work so hard to support us as a family and also to get me to college. Thank you for everything you have done to me and to our family. Also I express my thanks to my siblings for their support and always cheering me up whenever I feel down. I would also like to thank my close friends M.Rizqan Ihnadi, Jemmi Lasapu, Bagas Prabowo, and R. Nandito who have been great friend in my campus years and also my deep gratitude toward countless acquaintance who I met in my journey to this day. Thank you to all the great time, advice, and help you all give me that I can be who I am today.
