Synopsis

The Coiling Dragon tells a story of Linley Baruch, a descendant of a small noble family who lives in the small town. His childhood was filled with training all day, this is because he wanted to become a Saint-level warrior who is the strongest existing in the continent. He always strives to be the same level as the older children in training which makes him stand out because he always pushes himself hard despite the difficulty of the training. One day, His father, Hogg Baruch, told him that he was the descendant of Dragonblood Warrior, one of the strongest warrior ever exist in the continent, and his Baruch clan was once the great clan that was revered by many kingdom and empire. He was ecstatic that he has a chance to be a Dragonblood Warrior, unfortunately, he was not suitable to become one which makes him sad because he thinks that his father will be disappointed at him. Linley then vows and promises to get back the family ancestral treasure "Slaughter" Sword that his father dreamed to get in his life. He then found a black ring when he helping his father looking for a something to sell from the warehouse, he named it Coiling Dragon Ring because of its dragon carved in the ring. Linley's daily life then disturbed when the town was devastated because two Saint-level mages fought in the near the town which is an earth-shattering event that destroyed the town and almost took his family life. After this, his passion to become strong become stronger when he found out that his ring was possessed by a Saint-level mage Cowart Doehry who want to help and teach him to become a mage. with this, he can protect his family and fulfill his ambition and start his journey to become the strongest.

Linley then goes to Ernts Institute to learn to become a mage and increase his knowledge regarding the world. In his journey, he encounters a problem where he was despised by many noble and rich people in his way because of the way he looks. This makes him realize that power and influence are important for his family if he wanted to regain his family prestige. In the Institute, he strengthens his foundation as a mage and successfully increases his magus rank quickly. He also becomes more independent by earning money as he learns sculpting and sold it to help his family economy. He also challenges himself by going to a mountain range of beast to fight against magical beast to polish his fight technique and improve himself as he found the weakness by fighting a stronger magical beast. Linley's journey was not always smooth as he was heartbroken after his fight with his first love. Linley whom down finally 'awake' after he successfully create his masterpiece 'Awakening From the Dream' which makes him remember his ambition and focus of life.

Linley filled with a new spark of passion, applied for graduation which reveals his power as magus to the world and shocks everyone as he created a record in the Institute and become famous. He also went to fight against a dragon and successfully won against it. With his power and influence, as he was now famous throughout the kingdom, he wanted to buy his family ancestral treasure "Slaughter" Sword. With him selling his masterpiece 'Awakening From the

Dream', his fame was spread even to another kingdom as they all respected his status as grandmaster sculptor which he successfully earns enormous wealth. with this, he now obtaining the "Slaughter" Sword and proudly going home to present it to his father, but unfortunately, he was meet by his father's death.
