Dear Dr. Mochamad Lazuardi,

We have asked you to do all corrections in red color font in the revised manuscript but we have not found any correction in the red color font in the revised manuscript.

So, I suggest you to highlight all corrections (except English language as you have provided language editing certificate) in red color font as suggested by the reviewers and send the final revised word file to this email on urgent basis. We will replace the file in your author account on behalf of you.

Note: We will check the revised manuscript only after receipt of the manuscript in which the corrections are highlighted in red color font.
