Dear Prof. Dr. Mochammad Thaha,

Good day. We have reached a decision regarding your submission to The Indonesian Biomedical Journal, "**Determiner of poor sleep quality in chronic kidney disease patients links to elevated diastolic blood pressure, hs-CRP, and blood-count-based inflammatory predictors**". Our decision is to: **Accept Submission**.

Your manuscript has been sent to our publisher for typesetting and you should receive the proofreading in due course. We will let you know once your manuscript is available to access in our [Article in Press](#) section.

Congratulations on your interesting research, and thank you for allowing us to publish this valuable material. Please let us know once you have read this email. We wish you a nice day.

Best Regards,
