Dear Professor Abiodun Falodun,

We wish to submit a new REVIEW manuscript entitled "MICROSPHERES-BASED DRUG DELIVERY TO ALVEOLAR MACROPHAGES - A REVIEW" for consideration by the Tropical Journal of Natural Product Research. We confirm that this work is original and has not been published elsewhere nor is it currently under consideration for publication elsewhere. The paper should be of interest to readers in the areas of pharmaceutical sciences. We have no

conflicts of interest to disclose.
Thank you for your consideration of this manuscript.

Sincerely,

Dear Dr Hariyadi,
Review comments ([MICROSPHERES-BASED DRUG DELIVERY TO ALVEOLAR MACROPHAGES - A REVIEW](#))

Editorial comments to authors

Remove Figures 4 and 5. The findings from the work should be reported your own words and referenced appropriately.

List of references should follow journal adopted format. See journal website at <http://www.tjnpr.org/guideforauthors.aspx#> for details. Abbreviate all Journal names. Separate authors with comma only. No full stop after the initials except at the initial of the last author.

A declaration of the liability of the authors for claims relating to the content of this article should also be included when submitting the revised manuscript. This should be stated as follows;

Authors' Declaration

The authors hereby declare that the work presented in this article are original and that any liability for claims relating to the content of this article will be borne by them.

All comments/corrections made by reviewers should be completely addressed, point by point, and make appropriate changes in the manuscript, or provide a suitable rebuttal to any specific request for change that has not been made.

All corrections/changes made in the manuscript should be highlighted in yellow colour when submitting the manuscript in the revised form on or before 6th October 2020

The authors should carefully revise and correct the manuscript taking into consideration the comments of all the reviewers. 50% of the references cited should be between 2016-2020. The revised and corrected manuscript should be subjected to plagiarism checker (15% allowed in TJNPR) and English language editing. Evidence of the checks should be attached when submitting the revised/corrected manuscript.

Best regards

Abiodun
