We are pleased to inform you that your research article has been accepted for publication in Pakistan Journal of Nutrition. However, a large number of grammatical and sentence construction errors are found in your article. Most of the sentences are haphazard. Pakistan Journal of Nutrition is very much concerned about the clarity and professionalism of your manuscript. Our database shows that a large number of research articles were rejected due to a number of grammatical mistakes. You can negotiate with [American Journal Experts](#) and [Bioscience Editing Solutions](#) to provide you language editing services at competitive rates.

Non English authors may contact with [American Journal Experts](#) or [Bioscience Editing Solutions](#) for professional scientific editing services before submission or after acceptance of their manuscripts to eliminate (minimize) the chances of rejection due to poor English.

You are therefore requested that please re-submit your article after editing its language with **EDITORIAL CERTIFICATE** for further processing.

Dear Dr. Mochamad Lazuardi

We are pleased to inform you that your research article has been accepted for publication in Pakistan Journal of Nutrition. However it is observed that in Materials and Method section you have quoted reference number which is not according to the format of the journal, so please insert the references instead of reference number. Moreover Table 3 is discussed in the article where as there are only two Tables available, where is Table 3?.

Please find attach herewith the Galley Proof of your research article. Read it carefully and inform us immediately if there is any typing mistake in it.

It is also requested that please send the printing cost i.e. US \$ 225 in favour of Asian Network for Scientific Information.
