Instructions:

Your paper has been accepted for publication and the Editor has uploaded the "Editor's accepted version". You are not allowed to make any changes in the content of your paper, at least you have been asked to do so by the editor. Once you have implemented all the recommendations made by the editor, you must complete the following six tasks:

1. Save the "Editor's accepted version" ([on-2017-199453.pdf](#)) on your local disk and name it "authorFinalVersion." (If you need to edit a PDF file, you need to have a PDF editor or convert it to an editable format, such as MS Word, first. Some authors that do not have a PDF editor have successfully used the free service <http://www.pdfonline.com/pdf2word/index.asp>)
2. Restore the author's identification, such as names, email addresses, mailing addresses and biographical statements in the first page of your local file "authorFinalVersion."
3. Use the above "Browse..." and "Upload" buttons to upload your file "authorFinalVersion."
4. Click on "[Update Metadata](#)" to correct the title, abstract and keywords according the recommendations received from the Editor. You must make sure that the title, abstract and keywords are totally free of English Spelling and Grammar errors. Do not forget to click the "Update" button to save your changes.
5. Once you have updated the metadata, check the box "Yes."

Dear Dr. Indrianawati: Hi

Ref: Good News

Congratulations. I am pleased to inform you that your attached paper has been accepted for publication in the forthcoming issue of AGBA's UK based and Scopus indexed journal (www.inderscience.com/jgba).

Its volume would be Vol. 10 (6), slated for publication around mid March, 2018.

Inderscience Company of UK is processing your paper right now. Kindly cooperate with them and communicate with them immediately.

Kindly also make sure that your paper conforms with our attached standards in letter and spirit. For example, Your introduction cannot start with a table. Your literature review is flawed. Your English needs improvement. Your paper's size must be 30 pages. Plagiarization must be zero and all sections as prescribed in the attached guidelines must be there.

Kindly upload the improved and revised version of your paper by January 31, 2018 to our journal's website and also send it to me as an email attachment.

**Cc to:
Dr. Irwan**

**Thank you very much.
Cheers.
Prof. Zafar**
