comments from reviewer TCA.docx

14.1kB

1. Please state the name of author in this manuscript
2. Please separates result and discusion into two part
3. In conclusion:

“In summary, our review indicates that TCAs can be effective for treating chronic LBP when used routinely for several weeks.....”

From your studies, can you determine the average length of effective TCA treatment in low back pain?

if you can't, better if you state:

“In summary, our review indicates that TCAs can be effective for treating chronic LBP.....”
