Dear Dr. Dr. SRI HARTINI SE., M.Sc.
On behalf of The OPCION, I am writing to you for The **CALL FOR PAPER OF SPECIAL ISSUE JUNE 2019** (Indexed in Scopus, Scimago Quartile: Q3)

Call for Paper Regular Issue August 2019

OPCION is a research journal which publishes in the domain of social and human sciences, with emphasis on anthropology, business and management, communication and information sciences, philosophy, linguistics and semiotics, development problems, science and technology. OPCION publishes original works with advances or results of research, reviews and summaries of research, essays, rapid communications, technical notes etc. All referred to the areas published by the magazine. The Journal encourages research in the areas of Humanities and Social Sciences and contributes to the scientific progress by disseminating the results of research in these fields of knowledge. We constitute an editorial space where the most advanced ideas in the scientific areas can be confronted and discussed.

The following areas are under the scope of OPCION:

<ul style="list-style-type: none"> • Archaeology • Anthropology • Art and Humanities • Business • Business and Corporation • Defense • Education • Economics • Finance • Government Policies 	<ul style="list-style-type: none"> • History • Industrial Relations • International Relationship • Intellectual Studies • Journalism • Leadership • Library Science • Learning Organization • Management • Macroeconomics • Microeconomics 	<ul style="list-style-type: none"> • Mass Communication • Philosophy • Politics • Sociology • Sustainability • Sociology and Cultural Issue • Social Welfare • Social Media Marketing • Tourism • Global Science and Studies
--	---	--

A special quota (more than 40%) has been reserved for southeast and western Asian countries in regular issue. Therefore, we invite you to publish your original and quality research work with us. This journal provides an open access to its content, based on the principle that offering the public free access to research helps a greater global exchange of knowledge.
