*Model Pemberdayaan dan Kemandirian Ekonomi Berbasis Pesantren (Studi Kasus Pondok Pesantren Mamba'us Sholihin)*

**ISI:**

Tujuan dari penelitian ini adalah untuk menyusun model pemberdayaan dan wujud kemandirian ekonomi yang dilakukan di Pondok Pesantren Mamba'us Sholihin Gresik.

Metode penelitian yang digunakan adalah pendekatan kualitatif deskriptif dengan metode studi kasus. Pengumpulan data dilakukan dengan wawancara kepada pimpinan pesantren, pimpinan koppontren, dan pimpinan lembaga sosial pesantren, santri, masyarakat sekitar, observasi, dan dokumentasi. Pengumpulan data sekunder berasal dari jurnal, text book, arsip pesantren dan literatur.

Hasil penelitian ini adalah Pesantren Mamba'us Sholihin menggunakan model berkhidmah dalam pemberdayaan santri melalui praktik, pelatihan dan menjadi karyawan di unit usaha yang dimiliki pesantren. Sedangkan dalam pemberdayaan masyarakat sekitar dilakukan melalui lembaga sosial pesantren yaitu berupa bantuan sembako, kajian rutin, bimbingan ramadhan, bantuan pengobatan gratis, dan bantuan jika terjadi bencana alam. Wujud kemandirian ekonomi pesantren yaitu mampu memenuhi kebutuhan operasional pesantren dari keuntungan unit usaha yang dimiliki pesantren.

The Model of Pesantren-Based Empowerment and Economic Independence (Case Study of Mamba'us Sholihin Islamic Boarding School)

**CONTENTS:**

The purpose of this study was to compile a model of empowerment and a form of economic independence conducted at Mamba'us Sholihin Gresik Islamic Boarding School.

The research method used is a descriptive qualitative approach with a case study method. Data collection was carried out by interviewing boarding school leaders, *koppontren* leaders, and leaders of Islamic boarding social institutions, santri, surrounding communities, observation, and documentation. Secondary data collection came from journals, text books, boarding schools and literature.

The results of this study are Islamic Boarding School Mamba'us Sholihin using a Muslim model in empowering santri through practice, training and becoming employees in the business units owned by Islamic boarding school. Whereas in the empowerment of the surrounding community it is carried out through Islamic Boarding social institutions, namely in the form of basic food assistance, routine studies, Ramadhan guidance, free medical assistance, and assistance in the event of a natural disaster. The manifestation of Islamic boarding school economic independence is being able to meet the operational needs of Islamic boarding school from the profit of the business units owned by the Islamic boarding school.
