Dear Dr. Alpha Athiyyah

I have some made changes in your manuscript. Please revise it as follows:

- 1-Reduce the materials and methods by giving references in cases required
- 2-Format the references according to the Journal format. The Journals name should be abbreviated and typed in Italic
- 3-The figures legends should be more informative, explain them in a sentence.
- 4-the words in title is too much. Reduce it to 15 words in maximum.

Once you hav done these changes in the attached file, save it in word version 2003 and send it back by email

Best Regards
