To: REZA GUNADI RANUH &lt;rezagunadi@gmail.com&gt;

REZA GUNADI RANUH:

Thank you for submitting the manuscript, "Effect of the probiotic *Lactobacillus plantarum* IS 10506 on BDNF and 5HT stimulation: Role of intestinal microbiota in the gut–brain axis" to Iranian Journal of Microbiology. With the online journal management system that we are using, you will be able to track its progress through the editorial process by logging in to the journal web site:

Manuscript URL: <http://ijm.tums.ac.ir/index.php/ijm/authorDashboard/submission/2068>

Username: rezagunadi

If you have any questions, please contact me. Thank you for considering this journal as a venue for your work.

Dear Professor Reza

Please the galley proof of your manuscript in the attached file. Big

problem exists in the references. All references should be searchable in the PubMed /SCOPUS. The Journal names should be in italic and abbreviated. Check the Volume, years and pages of the references.

Once you have done send the corrected gally by email

Best Regards

----

Dear Prof. Reza Gunadi Ranuh

Attached file is your edited manuscript. Please check it carefully and correct the highlighted sentences or queries.

The references should be corrected and listed according to the Journal format. See one of the published paper as sample and modify the references. Use the references that are visible at PubMed or SCOPUS.

Save the corrected version in word 2003 and send it back by email. MAKE CORRECTIONS ON THE ATTACHED FILE.

Best Regards

Dear Corresponding author

Attached is the galley proof of your manuscript. Please check it **carefully**. In case it needs minor modifications, do the minor changes on the galley, **highlight** the changes and return the corrected proof by email within 48 hours. At this stage, authorship can not be changed.

Take care about the references. They should be searchable in scientific databases such as PubMed, Scopus and ISI.

Best Regards
