Manuscript Number: ACTHIS-D-20-00188

The **Validation** of the **Helicobacter pylori CagA Typing** by **Immunohistochemistry: Nationwide Application in Indonesia**

Dear Dr Miftahussurur,

Thank you for submitting your manuscript to Acta Histochemica.

I have completed my evaluation of your manuscript. The reviewers recommend reconsideration of your manuscript following revision and modification. I invite you to resubmit your manuscript after addressing the comments below. Please resubmit your revised manuscript by May 28, 2021.

When revising your manuscript, please consider all issues mentioned in the reviewers' comments carefully: please outline every change made in response to their comments and provide suitable rebuttals for any comments not addressed. Please note that your revised submission may need to be re-reviewed.

To submit your revised manuscript, please log in as an author at <https://www.editorialmanager.com/ACTHIS/>, and navigate to the "Submissions Needing Revision" folder under the Author Main Menu.

Acta Histochemica values your contribution and I look forward to receiving your revised manuscript.☺

Manuscript Number: ACTHIS-D-20-00188R1

The Validation of the Helicobacter pylori CagA Typing by Immunohistochemistry. Nationwide Application in Indonesia

Dear Dr Miftahussurur,

Thank you for submitting your manuscript to Acta Histochemica.

I am pleased to inform you that your manuscript has been accepted for publication.

My comments, and any reviewer comments, are below.

Your accepted manuscript will now be transferred to our production department. We will create a proof which you will be asked to check, and you will also be asked to complete a number of online forms required for publication. If we need additional information from you during the production process, we will contact you directly.

We appreciate you submitting your manuscript to Acta Histochemica and hope you will consider us again for future submissions.

Kind regards,
Pasquale Chieco
