Manuscript: CRG-2019-11-1 - Peroral Endoscopic Myotomy in A Patient with Achalasia Cardia with Prior Heller's Myotomy
Authors: Muhammad Miftahussurur (Corresponding Author), Manu Tandan (Co-author), Dadang Makmun (Co-author), Zaheer Nabi (Co-author)
Date submitted: 2019-11-02

Dear Dr. Miftahussurur,

Thank you for submitting your manuscript to Case Reports in Gastroenterology.

After an initial check we noted the following is missing or needs to be corrected from your manuscript file:

- All papers must contain the following statements after the main body of the text and before the reference list: Acknowledgement, Statement of Ethics, Disclosure Statement, Funding Sources, Author Contributions. Please move any of these statements which are currently available in your main text to this section.
- Please add line numbers to the manuscript.
- The submission statement is incomplete. Please, add the manuscript title on the top of the page.

Please visit the instructions to authors to complete your submission and re-submit the manuscript for consideration of publication. You may contact the Editorial Office if you have further questions.
