Dear editor,

Thank you for your information. We attached the response to the reviewer's comment and the final version of the manuscript.

In addition, it was true that I have submitted the manuscript ID SRP-2020-07-441 entitled Anti-Helicobacter pylori Effects of Propolis Ethanol Extract on Clarithromycin and Metronidazole Resistant Strains on July 29, 2020. However, I with-drawl it due to requiring language editing. But I do not know recently your system put it back.

I also have another manuscript ID SRP-2020-07-441 and submitted it.
