These are few common observations which must be dealt carefully.

1. Grammatical errors
2. Comma and Full stop
3. Formatting of Tables and figures.
4. Headings and Subheadings
5. Uniformity of References (Most important)

**Note:** While sending email for corrections required, please write down manuscript reference no and issue of publication in Subject section clearly.

Dear Dr. Avijeet Jain (editor of IJPPS),

Thank you very much for your e-mail. I'm happy receiving this provisional acceptance of my manuscript. I will revise my manuscript as written on your guidance and send it back to you as soon as possible, after November 26th, 2013. Anywzy, about the registration charges, I have some questions: When do I have to transfer US\$ 188 to your bank account? after I send back my revise manuscript or as soon as possible? (within 3-4 days from your last e-mail)? Since, it will take some time (more than 4 days) to transfer between national banks. I'm going to transfer the registration charges US\$ 188, on Monday, November 25th, 2013. Is it allowed for me to do so?

Once again, thank you so much for your attention and cooperation. I'm looking forward to your kind response.

Best regards,
