Dear Prof. Sosiawan

Thank you for submitting your article into *Linguistica Antverpiensia Journal*. However, in order to further process your paper, we will require the following to be included:

1. Please make sure that the whole manuscript exactly matches to the journal template mentioned in our system,
2. Please note, we do not allow article files with tracked changes/comments by both underlining and italicising. Please upload it without any tracked changes. It is better to highlight your changes in your article file using strikethrough or making it BOLD font.
3. Please make sure that the title in the whole manuscript exactly matches in the cover letter.
4. PLEASE NOTE: The Supplementary Information will be published as is, without modification or typesetting. Therefore, please do not highlight the supplementary information with colours or otherwise.
5. Please ensure the authorship, once it was accepted there would be no more amendments in this journal, it would be published as the first time when it was accepted.

Please make the requested amendments only, before submitting the manuscript to the journal again.

If you have any questions, please feel free to contact us

Sincerely,

Mukas Derrible

Editorial Board of *Linguistica Antverpiensia*
Journal

Reviewer Comments:

Reviewer 1

1. What is the major limitation in writing this article since it only relates to the number of samples in Surabaya? What will happen in the other cities, will it similar to?

2. SPSS Inc. SPSS is the statistic program, no the manufacturer. Again please remove the word "Inc"

3. Please refer to the journal template
