Method Determining the Contents of the Contract

Putri, Nur Rizka Nur Rizka, Nur Rizka

Abstract

The contract is a legal agreement between two or more parties. The contents of the contract are the essential elements of the contract. This article discusses the method of determining the contents of the contract. The method of determining the contents of the contract is based on the principle of autonomy of will. The principle of autonomy of will is the principle that each party to a contract has the freedom to determine the contents of the contract. The method of determining the contents of the contract is based on the principle of autonomy of will. The method of determining the contents of the contract is based on the principle of autonomy of will.
