Dear Editor

I would like to confirm about the comment on the figure 1. Figure 1 was consisted of three pictures of agarose gel electrophoresis. Does that mean that I have to separate them into three figures?

Thank you very much.

Dear Editor Of IVJ

According to acceptance letter you sent me on May 2019, my article will be published on September 2019. I haven't gotten any information from publisher about the publication of my article. May I know when is exactly my article will be published?

Thank you very much
Best regards
