ACKNOWLEDGEMENTS

Alhamdulillah. I would like to send my greatest gratitude to Allah SWT, for giving me the strength and the knowledge for finishing this thesis. I doubted myself that I could finish the thesis at first, but Allah SWT gave me the strength and showed me that everything could be passed. I also would like to give my deepest gratitude and appreciation to my thesis advisor, Pujo Sakti Nur Cahyo, M.Hum. Thank you for sharing your knowledge and guidance during the process of conducting this thesis. Thank you for sparing your time when you are busy and I am very grateful for all the advice you gave me. Unforgettably, thank you to my academic advisors, mam Titien and mam Lina, who guide and help me a lot during my time in college.

The next gratitude would be for my parents. Thank you for being the best and most patient parents. Thank you for your prayer and support. They are my biggest motivation to finish my study. They are the ones who inspired me to be who I am right now, to be brave, responsible, and hardworking. Thank you for always taught me to be responsible for any path that I choose.

I also would like to thank my friends for life, the BEGAL family. For everyone in BEGAL, thank you for showing me how cool real friendship is. Thank you for all the memories we experienced during and after our college life. Maitsa and Arai, no words can describe how much you meant to me. I am very thankful for every advice and support you give to me. Thank you for always being by my side through thick and thin and treat me like your own brother. Thank you for helping me in becoming a better

version of myself. To my PUBGM teammates, Brentek, Rifqi, Onad, Byson, Bill, Iclang, Ryan, Carlos, Lale, Damkar, Iqi, Dio, Furqon, Rexha, thank you for the time we spent together during this pandemic. Then, I also would like to thank CCI Surabaya and all the informants who willing to be my respondent and allowing me to interview all of you to achieve the data.

Last but not least, I would love to express my gratitude to Eka Rizky Hardiningrum. Thank you for always believe in me. Thank you for always having my back when no one else did. Thank you for always putting me first above anything else. You have no idea how much important you are to me. Thank you for everything.
