To my family and people I love about.

Thank you for your kindness and affection. That made me proud to be myself and showed me how beautiful life is...

ACKNOWLEDGMENTS

In this acknowledgement, I would like to thank God Almighty for all your gifts, and I can still study according to the obligations of my belief. It is an honour to be advised by Mr. Kukuh Yudha Karnanta as my advisor for giving me the chance to learn the beauty of the cultural sciences deeper through this undergraduate thesis. It is the most significant gift I ever had to be the child of my parents and being a brother to my sisters. Thank you for always believe in me and giving me chances to choose my path. Maybe I could not live happily until today without my beloved family. However, without the presence of these people in my life, it would not be great without all of your courage of adventurous will to explore and conquer this big big world. It is an honour being with you, my dearest people. My greatest gratitude would be given to:

1. My college best friend: Wahyu, Renza, Zulkifli, Rivandi, Naufal, Gusti Andrian, Adrian, Aden, Amel, Shafiera, and Ellen for being the best company of college life and being partner in crime.
2. My lifetime best friends: Fahmi, Febiola, Arum, Dimas, Firman, Dea Raditya, Aldi, Anita, Ages, Novendra, for always taking care of our lifetime friendship.
3. My Bu Yono boarding house friend: Adnan, Gusti Septian, Bagas Waskito, Abidin, Satria for waking me up for class and giving me rice when I have nothing and the brotherlike brotherhood.

4. To all lecturers for always giving me precious knowledge and experiences.
5. Last but not least, to everyone who taught me about love and life that made me be a better human being that able to share kindness and love.
