Konu: Submission of Case Report

Dear Assoc Prof Izzet Yavuz  
Editor-in-chief and General Director  
Owner  
Journal of International Dental and Medical Research  
Ectodermal Dysplasia Group-Turkey

Let me introduce my self first. I am Jennifer, post graduate student of master of oral science, Universitas Airlangga, Surabaya, Indonesia. I would like to submit a case report manuscript entitled "Coronally positioned vestibule for gummy smile" by Dr. Agung Krismariono, DDS, MSc. as an corresponding author.

By submitting the manuscript to the Journal of International Dental and Medical Research, the authors understand that the material presented in this paper has not been published before nor has it been submitted for publication to another scientific journal or being considered for publication elsewhere. I attest that this work has been approved by all co-authors. The authors also understand that should the submitted material be accepted for publication in the journal, they will automatically transfer the copyright to the publisher.

I hope that the reviewing process finds the manuscript acceptable for publication in the journal. If there's any information about this journal submission please forward to my email or corresponding author's email. Thank you

Sincerely yours,  
Jennifer Widjaja, DDS

to me, mjenniferwidjaja@gmail.com

Dear Prof. Dr. Agung Krismariono,

Your paper looking acceptable titled " **Coronally positioned vestibule for gummy smile** ", but it should be revise especially references section according to the JIDMR guideline <http://www.jidmr.com/journal/author-guidelines/>.

References citations should be at the and upside of sentences without brackets as a numerically superscript.  
10 references aren't enough for this article.

The references section should be unique with a same character (Year; volume(No): page number).

Improve to the article with latest published articles, which one of reference sample is below.

After the revisions you can submit your paper.

Sincerely yours.
