Dear Dr, Alessandroi Cavalcanti,

I have checked the final proof file and revised as needed in red-color underline. Due to conversion from pdf to word, there are some sentences that I can not edit. If I force to edit, the setting will not align.

Here I attach the final prof file and copyright form that has been signed by all authors.

If any revision needed, do not hesitate to contact me.

Warm regards,

Udijanto Tedjosasongko
