ACKNOWLEDGEMENTS

In writing this thesis I would like to express my foremost gratitude to Allah SWT for his blessings. He granted me great health and strength to work and finish this thesis. I hope He continues to guide me throughout my life so I can keep being on the right side of track.

I would also like to say gratitude to Dra. Anna Dewanti, Dipl. Tesl., M.Pd. as my thesis advisor. I am grateful for all the time, patience, and knowledges you have given me these past months to finish my undergraduate thesis. I would not be able to finish this undergraduate thesis without your guidance, especially in this pandemic era. I would like to express my thankfulness to my academic advisor Viqi Ardaniah, S.S., M.A. Linguistics and Edi Dwi Riyanto, S.S., M.Hum., Ph.D. for their guidance on helping me plan my study so that I can finish it on time. I am also grateful for all English Department Universitas Airlangga lecturers who have shared their tremendous knowledges and experiences throughout my college life. Those days were so precious to me and I will forever remember it as a happy memory.

Then, I am extremely grateful to my parents for the endless support, love, prayers, and sacrifices to give me the best in every aspect of life. Thank you for always giving me the opportunity to decide my own path and believe in me. Thank you for every affectionate reassurance you have given me especially when I am in panic. I hope after graduating I can repay everything you both have done to me and give you a great life. Lastly, I would also like to thank my close friends Fitri Susanti,

Wiendyazkia Nur Ariffa, Sukmawati Candraningtiyas, Zulfa Amiriyati, Ferly Reynaldi, Jery Kasworo, and Dianita Permata Sari. Without their never-ending support and cheering up I would not have enough motivation to finish this thesis. Thank you for always be there for me and cheer me up when I was down. We went through a lot of things together and I hope we can keep being friends until forever. I also hope they can finish their studies well and have a great life. Finally, I realized that this undergraduate thesis is not perfect. Therefore, suggestions and comments are very welcome.
