### DECLARATION

I declare that this undergraduate thesis submitted in partial fulfillment for the degree of *Sarjana Humaniora* (S.Hum) of the English Department Faculty of Humanities Universitas Airlangga is entirely my own work and has been solely the result of my own original research. Hereby, I confirm that:

1. This thesis is not copied from any other person's work (published or unpublished);
2. I do not use the services of any professional agencies to produce this thesis;
3. This work has not previously been submitted in whole or in a part for a degree or any other qualification either at Universitas Airlangga or elsewhere;
4. Any texts, tables, figures, data or other materials copied from other sources (including, but not limited to, books, papers, and the internet) have been clearly acknowledged and referenced in the texts. These details are also confirmed by a fuller reference at the end of the work.

I am fully aware that breaching any or all of the above points will result in the withdrawal of the awarded degree and disciplinary action in accordance with the regulations at Universitas Airlangga.

## ACKNOWLEDGEMENTS

First and foremost, I would like to say *Alhamdulillah* for the presence of *Allah SWT*, who has bestowed all His Grace and Blessed. With the permission of *Allah SWT*, He gave me ease, fluency, blessing and smoothness to complete this thesis. Second, may *shalawat* and greetings continue to be bestowed on our lord Prophet *Muhammad SAW*, who has been sent to bring and share messages and good news to perfect human character and free people from the trap of ignorance.

First of all, I am very grateful to my thesis advisor, Dra. Christinawati M.Si., always guides me and gives me new knowledge and feedback when I write this thesis. As an advisor to my thesis for this half term, she deserves special acknowledgement for all of her excellent and competent words, suggestions and feedbacks, and special praise for her openness, responsibility, and kind attitude that have enabled her to convey everything wisely and intelligent. This thesis has also significantly benefited from the support of many people, some of whom I would like to convey here sincerely.

Then, I would like to thank Viqi Ardaniah, S.S., MA.Linguistik and Edi Dwi Ryanto, S.S., M.Hum., Ph.D., as my academic advisors during my studies. Not only were they able to provide handy hints and advice, but they also helped me plan my studies well, giving me encouragement and motivation. I also would like to express my appreciation for all of my lectures in the English Department Universitas Airlangga to provide me with lots of knowledge and benefits because, without them, I would not know and understand much new knowledge. I thank them for always inspiring me.

Then, I would like to thank my parents, who always mention me in their prayers, take care of me, educate me, and support me all this time, especially for my mother, who always guides me, listens to me, and makes me who I am in today. You are my extraordinary parents. I would like to thank my siblings; Sofian, Rudiansyah, and Rininta, who always pray for me, encourage, and support me. I also would like to thank my family, who have prayed for, encouraged, and trusted me.

Furthermore, I would like to thank all my dear friends; Luna, Dian, Retno, Errycia, Novita, Rosyidah, Lutfi, Aling, Anggie, Farrah, Alda, Sobat Skripsi Fix Lulus, and all other dear friends that I cannot mention one by one. They are always there for me throughout the writing process. Thank you for all your kindness, support and motivation in helping me with this, for cheering me on and for listening to me whenever I needed their advice. Finally, thank you to all those around me who have given me encouragement, ideas, and input either directly or indirectly from various directions to make this all happen. Thank you very much.
