ACKNOWLEDGEMENTS

I would like to express my gratitude to the ruler of the universe, the supreme force, *Allah*, for giving me health, sanity, and the chance to complete the thesis. I am forever thankful for all the blessings He has given me. I will not be able to finish the writing without His permission.

I would also like to express my gratitude to Mrs. Dra. Christinawati, M.Si. as my thesis advisor. Thank you for all the guidance, advice, and concern so that I am able to channel my arguments in this writing. It may seem ordinary, but your attention and words of encouragement mean a lot to me. The gratitude is also for Ms. Viki Ardaniah, S.S., M.A. Linguistics and Mr. Edi Dwi Riyanto, S.S., M.Hum., Ph.D., for their academic advice and encouragement to broaden my knowledge by exchange program. I have learned a lot from your experiences and got motivated by them.

Then, to *Papa, Mama, Mas Reyhan, Dek Reyvina*, thank you for being around and believing me. Especially to *Papa* and *Mama*, your prayer is the only thing that makes me the way I am now, as I have always said. So, all of my achievements are credited to you. Thank you for constantly asking me to hang out and believe in me that I will finish this somehow.

To Tyas, Putri, Ellen, and Amel, thank you for wanting to befriend me. I can pass my college life without the romance, but not without you. For all the laughter, tears, tension, support—thank you.

Special thanks to the seven ordinary boys who have become my inspiration, BTS. They give me encouragement, great music, and book recommendations; the novel used here is one of them. By writing this thesis, I also hope that I do the author justice.

Finally, I would like to appreciate and pat myself on the shoulder for keeping worrying and trying to do her best. This journey is only the start of something more real.

that one can see rightly; what is essential is invisible to the eye.”**
