Natural Product Sciences

- **Manuscript ID** : NPS-21-0056
- **Manuscript Type** : Regular Article
- **Manuscript Category** : None (or N/A)
- **Manuscript Title** : Sesbagrandiflorain F, A New 2-Arylbenzofuran from the Stem Bark of *Sesbania grandiflora* L.

Dear Dr. Mulyadi Tanjung:

This automatic message acknowledges the receipt of the above manuscript that you submitted via the *Natural Product Sciences* online submission system. Your manuscript has been successfully checked-in and editors will be assigned for evaluation of your manuscript. Please refer to the assigned manuscript ID number in any correspondence with the NPS Editorial Office or with the editor.

Your paper will be reviewed by two reviewers assigned by editors in the NPS editorial board and final decision made by the editor will be informed by email in due course. Reviewers' suggestions and editor's comments will be then available at the online system. You can monitor the review process for your paper by visiting the "Status of my manuscript" at the NPS online submission system.

If your manuscript is accepted for publication, NPS editorial office will contact you for the production of your manuscript.

Thank you very much for submitting your manuscript to the *Natural Product Sciences*.

Sincerely,

Korean Society of Pharmacognosy

Natural Product Sciences

- **Manuscript ID** : NPS-21-0056
- **Manuscript Type** : Regular Article
- **Manuscript Title** : Sesbagrandiflorain F, A New 2-Arylbenzofuran from the Stem Bark of *Sesbania grandiflora* L.

Dear Dr. Mulyadi Tanjung:

We are pleased to inform you that the above-mentioned paper has been accepted for publication at *Natural Product Sciences*. The manuscript has been forwarded to the Manuscript and English editors for further possible revision. You may be requested to reply some more revisions from them.

You will receive a galley proof for your correction from the publisher about a few months in advance of publication. Please return corrections within 5 working days.

If you have not submit assignment of copyright transfer and disclosure of conflict of interest' to editorial office yet, please send it to the office either by fax or e-mail. Without that, we cannot process the editorial work for the publication of your article.

We appreciate you and your colleagues for your contribution to the NPS and anticipate that you will submit your future research articles to the journal.

Sincerely,

Korean Society of Pharmacognosy
