The abstract section provides a summary of the study, which aims to formulate the concept of Akhlaqul Karimah as a fundamental principle of character building in West Nusa Tenggara, Indonesia. The study uses qualitative research with the library research method. The results show that Akhlaqul Karimah is the foundation of moral education. Akhlaqul Karimah concept, according to Al-Ghazali and Ibnu Khaldun, is fundamental and should be disseminated in character-building education. Akhlaqul Karimah's concept emphasizes morality to Allah SWT, Akhlaq to Parents, Akhlaq to Others, and Akhlaq to the Environment. This concept can contribute to politics and democracy, education, economics, and empowerment of the Ummah and environmental preservation.
