Deskripsi The study aims to formulate Akhlaqul Karimah's concept as a fundamental principle of character building among people in West Nusa Tenggara, Indonesia. This research uses qualitative research with the library research method. The results of the study showed that Akhlaqul Karimah is the foundation of moral education. Akhlaqul Karimah concept, according to Al-Ghazali and Ibnu Khaldun, is fundamental and should be disseminated in character-building education. Akhlaqul Karimah's concept emphasizes morality to Allah SWT, Akhlaq to Parents, Akhlaq to Others, and Akhlaq to the Environment. This concept can contribute to politics and democracy, education, economics, and empowerment of the ummah and environmental preservation.

Deskripsi Increasing the contribution of Regional-Owned Enterprises (BUMD) in East Java is very necessary; this is because to increase regional income from the elements of regional wealth management, which is separated by the government, must be transparent and accountable—based on good corporate governance. Expectations regarding the increase in the contribution of BUMDs in East Java to increase regional income from the separated elements of regional wealth management can be explained that BUMD has an essential role for the economy in East Java, especially concerning the contribution of Regional Original Income to the East Java Provincial Government. The purpose of this study is to understand and reveal ways of developing BUMD performance and improving the performance of BUMD employees in East Java in facing global challenges and the era of disruption by using the perspective of the AMO theory (Ability, Motivation, Opportunity). The results showed that the ability of BUMD employees to improve employee performance. BUMD employees have done this motivation in enhancing employee performance, opportunities owned by BUMD in enhancing employee performance. Seeing AMO's development in BUMD employees, BUMD's performance will increase with the AMO development system model for employees. The BUMD also conducts the periodic evaluation of financial performance, Diagnostic Good Corporate Governance (GCG), and evaluates the Company's Work Plan and Budget.
